This Zoom instructional guide is designed to provide your pharmacy with the instructions to download zoom on your device, accept a video call invitation from your assessor and join the zoom call.

Please read this guide carefully. If you have any questions or issues downloading zoom, accepting the video call invitation, and/or starting a zoom call, please reach out to <a href="mailto:qcpppmo@au.ey.com">qcpppmo@au.ey.com</a> for support.

## 1. How to download Zoom

We recommend your pharmacy downloads zoom at least 2 business days before the scheduled zoom call to ensure any problems can be resolved prior to the scheduled call. To join a zoom call, your pharmacy will be required to download zoom on your device.

Please note, you <u>do not</u> need to 'sign up' to Zoom (i.e., have an account with Zoom) for this call to take place.

To download Zoom:

- Download Zoom on to your device Download for Windows Zoom
- Note: this should be the device you will complete the follow up zoom call on. This device must have video function i.e., a webcam.
- Zoom will automatically download in your browser then appear in the downloads tab (either the bottom left or top right of your screen). If Zoom did not download, please select 'restart the download'

- Once Zoom downloads, open the file to install zoom
- Note: the image below shows zoom downloading in the top right of the screen, on some devices, the download bar will be on the bottom left of your screen.

• Once you have opened the zoom installer file, Zoom will automatically download then you will see confirmation from Zoom that the installation was successful (as below).

- Zoom will then request you either 'join a meeting' or 'sign in' (as below). You do not need to select either of these options, please exit out of Zoom. Your device should now be ready to join your Zoom call when scheduled.
- If you are trying to join your scheduled Zoom call, please refer to section 3 of this guide.

## 2. Receiving a video call invitation

- During the confirmation call, your assessor will have scheduled the follow up video 'zoom' call with you. Please advise <a href="mailto:qcppscheduling@au.ey.com">qcppscheduling@au.ey.com</a> as soon as possible if this scheduled time is no longer suitable.
- You will receive an email from your assessor with a zoom invitation for the agreed scheduled time. Please read the details carefully and 'accept' the invitation. The call will then appear in your calendar.

#### Please note

- it is important you accept this video call invitation to ensure the call is confirmed.
- Please make arrangements in your pharmacy to accommodate the call at the scheduled time.

### 3. How to join Zoom

- There are numerous ways to join a zoom call. You can either:
  - a. Locate the email from the assessor (by searching your email inbox) and access the video link in the body of the email.
  - b. Locate the invitation in your calendar, double click on the scheduled call then access the video link (option b is pictured below)
